The Italian welfare system helps those who know how to ask, not those who need it most

Retefin 26/09/2026

Impressions: 166 **Sentiment:** Neutral **Location:** Italy (Country)

The issue is not the distraction of families. It's a system that asks citizens to prove what the State largely already knows. The Revenue Agency knows the incomes, the registry knows the composition of the household, and the INPS knows the contributions an …
