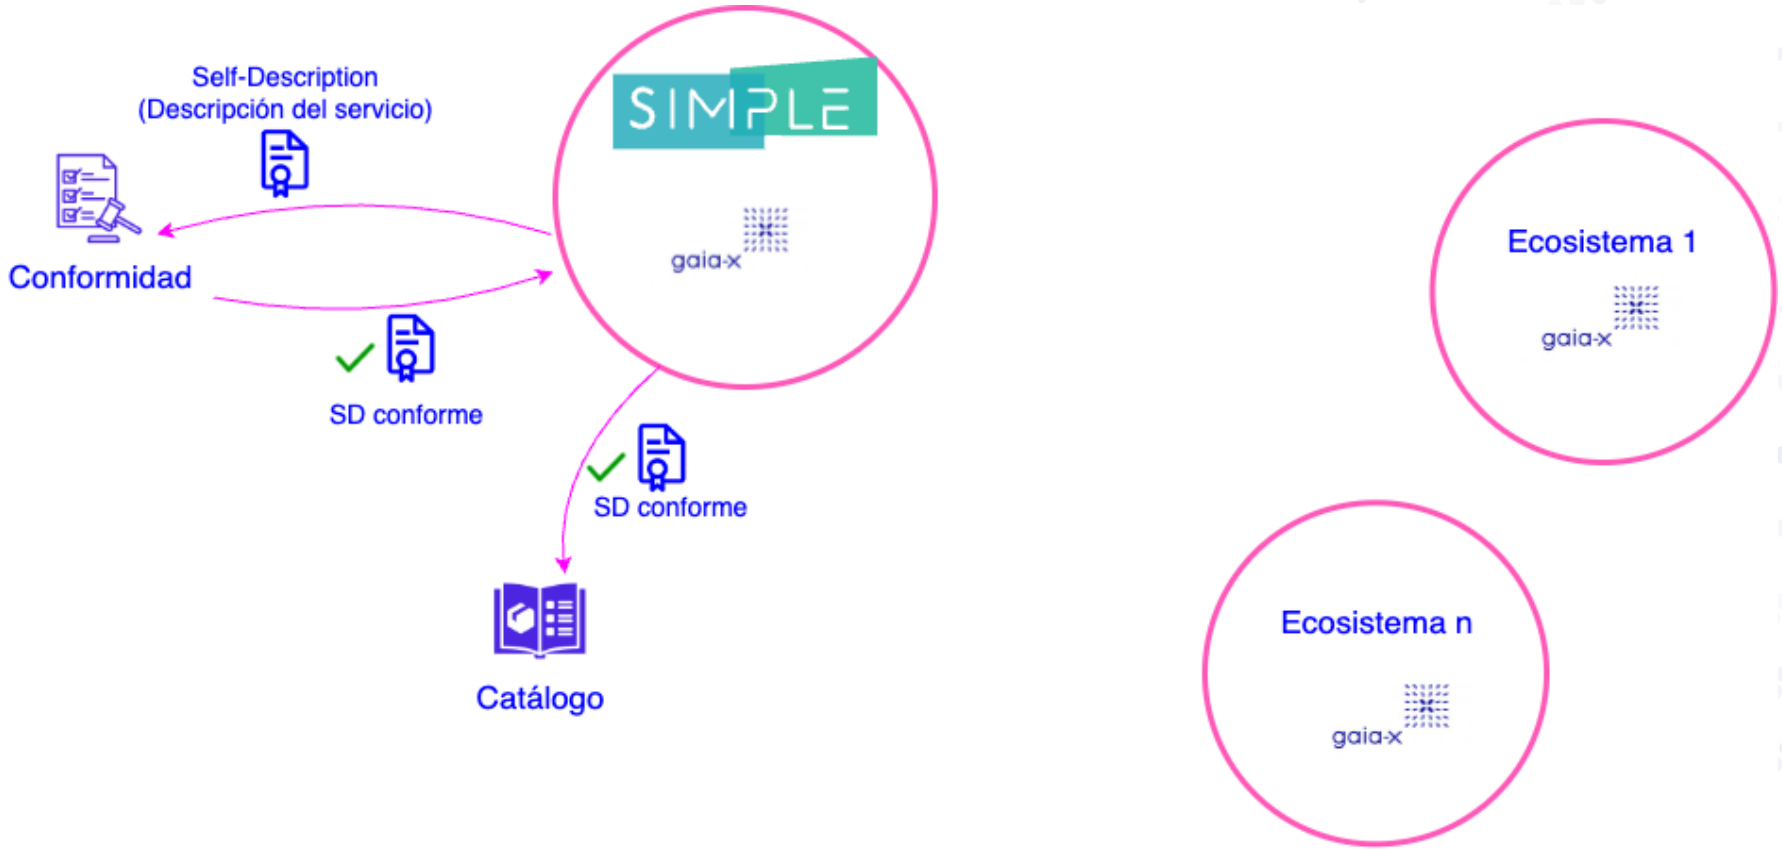
SUPPORT TO EXISTING PROJECTS: Integration of SIMPLE within the Gaia-X ecosystem



SPANISH DIGITAL CLEARING HOUSE

Gaia-X Hub Spain has deployed an instance of the Gaia-X Digital Clearing House, operated by Aire Networks

The node is **under official evaluation** for accreditation by Gaia-X AISBL

The node is already deployed and working, using X.509 EV certificate and with the following services available:

- Compliance (1.8.1)
- Registry (1.8.0)
- Notary (1.6.0)
