Verseterking van de digitale soevereiniteit maakt Europa politiek en economisch minder kwetsbaar

Doordat we in Europa voor onze digitale infrastructuur en data sterk afhankelijk zijn geworden van enkele Big-Techbedrijven uit niet-Europese landen, zijn we vanuit economisch en politiek perspectief kwetsbaar geworden. TNO adviseert overheden hoe hiermee om te gaan.

Strengthening digital sovereignty makes Europe less vulnerable politically and economically

Because we in Europe have become highly dependent on a few Big-Tech companies from non-European countries for our digital infrastructure and data, we have become vulnerable from an economic and political perspective. TNO advises governments on how to deal with this.
