#### Description for your Website, Article or Newsletter:

##### Tech-X & Hackathon #9

**Tech-X & Hackathon #9** will take place on **28–29 May 2026 in Athens, Greece**, at the ZEUS – Wyndham Grand Athens Hotel. Organised in collaboration with [Gaia-X Hub Greece](#), operated by [Laboratory for Manufacturing Systems & Automation](#), the event will bring together developers, engineers, and innovators from across the Gaia-X community for two days of technical exchange, collaboration, and hands-on innovation.

The programme features a Main Stage with presentations and interactive sessions, alongside a Hackathon where participants can build solutions, experiment with new ideas, and address real-world challenges within the Gaia-X ecosystem.

##### Venue:

The event will take place at the ZEUS – Wyndham Grand Athens Hotel, located at Achilleos & Megalou Alexandrou Street, 104 37 Athens, Greece. Situated in the heart of the city, the venue offers modern conference facilities and a comfortable setting for collaboration, along with impressive views of the Acropolis, providing a unique backdrop for the event.

**Address:** Achilleos & Megalou Alexandrou Street, Athens, 104 37, Greece

**Dress Code:** We certainly do not have a dress code for Tech-X (also remember, there is no parallel Market-X this year), but we have heard rumours that participants showing up in a white-and-

#### Agenda is live

# Tech-X & Hackathon #9

## 2026 28-29 MAY ATHENS GREECE

### The Tech-X & Hackathon #9 agenda is LIVE, and it's built for action!

From federated data spaces in manufacturing to trusted data sharing, connectors, and Gaia-X 3.0 tools, the programme is packed with sessions that show what's working and what's next.

Expect live demos, technical deep dives, and real use cases, plus a hackathon where ideas turn into prototypes on stage.

 28–29 May, Athens
