# Why join us as a member?

## Lay the foundations:

Get exclusive access to technical development, decision making and consultation processes on technical aspects.

## Exchange Knowledge:

Fully access all collaboration platforms, webinars and deep dives, helping you learn more about Gaia-X and share your experiences.

## Shape the future:

Participate actively in the working groups and committees within the Association.

## Get funding opportunity updates:

Receive monthly communication on relevant funding opportunities at European and national levels. Get support from Gaia-X Projects and Proposals Office to find the best partners and get all relevant details on the calls of your interest, ranging from basic requirements to evaluation criteria.

## Set standards:

Be part of an open discussion about the standards Gaia-X should be based on and ensure accessibility for all users and domains.

## Get promoted:

- Associate your membership launch with a joint announcement through our social media channels;
- Promote our collaboration through a joint press release and reinforce quotes from the two CEOs;
- Be part of a dedicated social media campaign running over two weeks following the release and informing about your news, activities, events throughout the year;
- Co-organise your events, webinars, workshops alongside Gaia-X;
- Lay your views through interviews or editorial pieces alongside Gaia-X;
- Take part in various testimonials throughout the year;
- Sponsor our events on a first come basis and taking advantage of a dedicated communication campaign, specifically running a dedicated campaign during that event.
